

Nuclear Cardiology and Cardiac CT

See you in Madrid!

3-5 May 2015

'Innovative cardiovascular imaging: A global perspective'

Next year's **ICNC12 Congress** will bring together cardiologists, nuclear medicine physicians, radiologists, physicists, technologists and other related health care professionals under one roof and all for the same objective. Save the date! 3 – 5 May 2015 and join us in the beautiful city of Madrid!

Key Reasons to attend:

- Get the latest updates on Nuclear Cardiology and Cardiac CT
- Learn about innovative multimodality cardiovascular imaging
- Network with the best! From young cardiologists to renowned experts: you share and learn with an entire community. This is your forum for networking, exchange and learning, especially during the moderated poster and poster sessions
- Participate in interesting and challenging read-with-the-experts sessions presented by Global experts
- Benefit from valuable take home knowledge
